

Windy City Soaring Association Annual Glider Safety Meeting

If you are interested in learning to fly gliders, please come out to our safety day and learn what soaring is all about. Additionally, we will review last year's operations sharing safety related subject matter with a goal of enhancing the safety of our club operations during the 2018 season.

Directions: Main WCSA hangar on southwest section of the airport. If flying in, please check NOTAMs as to the suitability of the grass runway.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
