

Greater Omaha IMC Club

The IMC Club's purpose is to promote instrument flying, proficiency, and safety. The intent is to create a community of pilots willing to share information, provide recognition, foster communications, promote safety, and build proficiency in instrument flying. IMC Club chapters offer monthly meetings in which pilots can network and share knowledge and experiences.

We'll meet at EAA Chapter 80's ABLE ACE (aircraft building laboratory and aviation center for education) at the Oak View Mall, 3001 S. 144th St, Omaha, NE 68144.

The ABLE ACE is on the upper floor near the food court. Parking is easiest on the south side of the mall at the food court entrance, then once inside the mall, curve to the left around the center area.
