

# First Response in an Aircraft Emergency

What should you do as the pilot---or first person on the scene--- after a forced landing or accident, especially one involving an aircraft equipped with airbags or a ballistic parachute? Just as important--- what should you NOT do?

**Directions:** Please use the map for directions to Aero-Tech, or call 859-254-8906. Register at [www.faasafety.gov](http://www.faasafety.gov) to receive regular email notifications of safety events!

## A message from the National FAASTeam Manager

The new WINGS--Pilot Proficiency Program is great! Check it out now!  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
