

Airport Etiquette, Operations at Tower Controlled Airports.

Please welcome Mr. Larry Lambert, and Mr. Dan Cilli,, from the Southern Region Office of Runway Safety. Also, please welcome personnel from the Louisville Air Traffic Control facility. Join us for an informative evening, and an opportunity to have your questions answered by the presenters!

Directions: Please use Map Link for directions to the FAA/Louisville FSDO, Lower Level Community Room. Register at www.faasafety.gov, to receive these notices via e-mail!

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
Sign up for the FAA's safety services at www.FAASafety.gov!
