

# Third Thursday Aero Club Safety Event

Please welcome Mr. Ken O'Hara, FAASTeam Lead Representative, A&P Mechanic, with over 40 years of experience, at Pan Am, Eastern, and UPS.

Ken will be discussing 4 subjects: \*Who's responsible for the Airworthiness of your aircraft? \*What should you expect? \*What mechanics should be performing during any inspection. \*Which parts and materials can be used on your aircraft?

**Directions:** Please use the map link for directions to the Aero Club of Louisville, located at Bowman Field. Register at [www.faasafety.gov](http://www.faasafety.gov) to receive future Safety Event notices via e-mail!!

## A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
