

FAASTeam presents:

Equipment Malfunctions, LEX Airport Construction, LEX ATC and WINGS Credit!

What does that odd instrument reading mean? What should I do about it? How can ATC help? How will the upcoming taxiway construction at LEX affect my flights? Come to this seminar and we'll talk about it!

Directions: Please use the map for directions to Aero-Tech or call 859-254-8906 for assistance.
