

Kentucky FAASTeam presents:

Aero Club Safety Event

Please welcome back Mr. Dan Cilli, Runway Support Team member, and System Analyst. Dan has spoken across the USA and Canada, presenting his insight into the human error element, the leading cause for a runway incursion. Dan's animated speaking style has always impressed his audience...don't miss this one!

Directions: Please utilize the map link if needed.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
