

## IMC Club Chapter Meeting (KLEX)

IMC Club, through its nationwide chapters, provides organized “hangar flying” focused on building proficiency in instrument flying. Believing that safety and proficiency are developed through education and experience, monthly meetings use real world scenarios to engage airmen and allow them to share and build their experience. You need not be instrument rated to attend.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the “Contact Information” area of the meeting/event notice. Note that two weeks is usually required to arrange services.
