

## 'Third Thursday Safety Event'

Please welcome Mr. Ken O'Hara, FAASTeam Lead Representative, A&P Mechanic with over 40 years experience, at Pan Am, Eastern, and UPS. Ken will be discussing 4 subjects: 1. Who's responsible for the airworthiness of your aircraft? 2. What should you expect? 3. What mechanics should be performing during an inspection? 4. Which parts and materials can be used on your aircraft?

**Directions:** Please utilize the map link for directions.

### **A message from the National FAASTeam Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
