

When the Engine Goes Silent!

Nine-Time engine failure survivor and FAA Designated Pilot Examiner Larry Bothe will tell us what really works and what doesn't when the engine quits.

Not only what you do but when you do it, can have a big impact on your likelihood of survival! Join us for this Larry's informative presentation!

Directions: Please use map link for directions!

Lead Representative Larry Harmon

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
