

# Accident Statistics- Causal Factors and Survival Recommendations

We will talk about both local and national General Aviation accident statistics, the causal factors and prevention. We will also discuss recommendations for surviving a forced landing or accident.

**Directions:** Enter building through the main double doors then turn left into conference room.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
