

## 2018 IA Seminar

We welcome IA's and Aviation Maintenance Professionals from Kentucky and the surrounding area to join us for an 8 hour seminar. This year we have the following presenters: Tennessee Aircraft Services, Concorde Battery, Tempest, Carpenter Avionics, Continental Motors and the FAA Safety Team. We hope you will enjoy a great day of learning and a opportunity to see the museum.

**Directions:** The 2018 IA Seminar will be held on Monday February 26, 2018 from 8:00 am to 5:00 pm at The Aviation Museum of Kentucky on Blue Grass Field (LEX). Turn off Man O War onto Airport Road. The museum is on the left just past HE Tex Sutton Forwarding. Lunch will be from 12:00 to 1:00. Your best option for lunch will be to go off airport right onto Man O War to the Palomar Center, it is a short drive and there are several restaurants available. Here is the link to the museum website: <https://www.aviationky.org/>

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
