

25 Things You Should Know for Safe Summer Flying

We will have a question and answer session discussing 25 things you should know and be familiar with to fly safely during the summer and always. We will also discuss the Topic of the Month (TOM) for June "Regulatory Road Block Reduction".

Directions: Enter building through main double doors then left into conference room.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
