

Sport Aviation Safety - Experimental Amateur Built - ELSA - SLSA

We will discuss the differences in Experimental Amateur Built, Exp Light Sport (ELSA), Special Light Sport Aircraft (SLSA), and Type Certificated Aircraft. We will talk about accident statistics and prevention, first flight hazards, transition training and also maintaining your aircraft, things to watch for and provide links to additional safety information.

Directions: Take I-65 to Exit 102 N. Joe Prather Hwy KY313 then left on Highland Ave. 144 then left on CS3000 to airport.

A message from the National FAASTeam Manager
