

FAASTeam presents:

# **Change of Topic to Preventing CFIT and Topic of The Month Takeoffs and Landings**

Unfortunately, I contracted Covid and am in Isolation. Therefore, Representative Jim Yonts has thankfully agreed to give next months presentation this month. His Presentation will be on Preventing CFIT and the Topic of the Month Takeoffs and Landings.

I will return next month and give my last Presentation before retirement on Preflight After Maintenance. I will be sending out another Spans Notice for that one. Thanks for your understanding and your continued interest in Aviation Safety.

**Directions:** The Aero Club is at Bowman Field. Enter the double doors from the parking lot and go left into the conference room.

Prior to attending, please review and abide by current CDC, State, and Local health guidelines!
