

Faa Safety Team presents:

IMC Club Monthly Meeting

This is the monthly meeting of the Louisville IMC Club. At this meeting a new Instrument flying scenario will be presented and discussed. Through its nationwide chapters in association with EAA, IMC Club provides organized “hangar flying” focused on building proficiency in instrument flying believing that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios at each meeting to engage our members and allow them to share and build their experience. You do not have to be instrument rated to attend.

Directions: The Aero Club is on the field at KLOU. Enter the building at the main double doors. Turn left into the conference room.

A message from the National FAASTeam Manager
