

IMC Club Monthly Meeting

The EAA IMC Club provides a "hangar flying" experience organized around instrument flight, in order to promote safety, education, and proficiency.

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences.

We also have occasional guest speakers. The scenario we will discuss at this meeting is: an Epic 1000 pilot's lack of risk assessment, operating at night, flying in high terrain at an airport, and not having a complete understanding of his avionics, which proved to be his final mistake.

Bring your EFB, your experience, and your questions, and be ready to participate. All are welcome. You do not need to be an EAA member or instrument-rated pilot to attend.

Event Details

Thu, Apr 23, 2026 at 19:00 EDT
The Aero Club at Bowman Field
3333 Roger E Schupp Street
Louisville, KY

Contact: RANDY WHITE

(502) 396-2880
