

FAASTeam presents:

46th Annual Tennessee Mid-South Aviation Maintenance Conference

This nationally acclaimed aviation maintenance conference has two-days of informational technology updates, and safety presentations, for the aviation maintenance professional. This is an accredited FAA program program for IA renewal. Admission is FREE.

Directions: Please use the map link. Once at the Radisson Opryland, you can't miss it! Remember to register at www.faasafety.gov to receive safety event information via email, and to participate in Learning Center activities!

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
