

East Tennessee 'WINGS' 2013! 'Mountain Flying Challenge!'

Presented by Kent Magleby, this will be a scenario based presentation where we will take a training flight in a Cessna 172 from Knoxville Downtown Island Airport to Jackson County Airport in the mountains of Western North Carolina. We'll discuss preflight planning, takeoff performance, en route, and landing elements of the proposed flight including density altitude. Group participation will be encouraged and rewarded with select prizes donated by Knoxville Flight Training Center.

Directions: The event will be held in the main hangar by Knoxville Flight Training Center at Island Home Airport. Be sure to Register at www.faasafety.gov for future notification of Safety Events!

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
