

## East Tennessee 'WINGS' 2013! 'Aircraft Icing'

Join Marty Galyon, as he leads a discussion on Aircraft Icing. Key points that will be covered include structural icing, icing weather forecasts, effects on aircraft of icing, flight into known icing, and much more.

**Directions:** The event will be held in the main hangar by Knoxville Flight Training Center at Island Home Airport. Be sure to Register at [www.faasafety.gov](http://www.faasafety.gov) for future notification of Safety Events!

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
