

## Aviation Weather and TFR's

Come and enjoy an informative question and answer session with the Ron Farwing and Tony Walker. Ron is recently retired from the Chicago FSDO and has a wealth of knowledge to share. We will be discussing weather and how it can affect your flight. TFR's are another subject we will cover. Please come and have an impact on aviation for the community!

**Directions:** Turn off of airport road in front of the Greyhound bus station. At stop sign, turn right and road dead ends into Tac Air South parking lot.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
