

EAA Chapter 1343 and GTO Aviation Breakfast and Safety Event

Please welcome Ms. Catherine Cavagnaro, CFI and proprietor of Sewanee Aerobatic School, as she helps you understand that a spin is actually a maneuver, not a mistake.

Additionally, please welcome Bruce Bolton, retired FAA Airworthiness Inspector, and Designated Airworthiness Representative, as he discusses those items that compromise the airworthiness of your aircraft.

Directions: Please utilize the map link for directions. Breakfast and seminars will be held in the Corporate Hangar. Fly-in's and drive in's are most welcome.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
