

Winter Weather Flying Considerations

It's that time of year again. And, time to revisit those considerations that may affect your flying during colder weather.

Please join FAA Safety Team Program Mgr., Bob Hill, as he offers hints and tips, to better enhance your decision making process during cold weather operations.

Directions: Please utilize the map link.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
