WINGS CREDIT!
FOR ALL PILOTS WHO ATTEND

**IMC Club
International, Inc.**

The IMC Clubs concept is to bring together IFR-rated pilots who fly in real-world "actual IMC" and provide them an opportunity to share stories, network with the larger pilot community, and gain valuable insights and tips for their IFR flying.

IMC Club Chapter Meetings provide a scenario based presentation which puts you in a real world situation. This provides context for discussing instrument flying with other pilots. Stay connected to fellow pilots and instructors!
