

Flying the 'Arsenal Of Democracy' Washington DC Flyover and Required Equipment

For those not heading to OSH, please join Bob Hill and Scott James, for a casual, entertaining, and open forum discussion for all participants. Bob will recount his participation in the recent WWII flyover of our nations capitol. Scott will use his colorful background to address those airworthiness items often forgotten or unknown.

Directions: Please reference map link.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
