

East TN WINGS - Aviation Wx - Seminar Registration

"Aviation Wx" a program presented by WBIR Chief Meteorologist, Todd Howell. Todd will show you the information that you need to take away from your TV viewing to aid you in making an aeronautical decision using your local television channel to glean the 'big picture'. Todd will focus on the Wx below 'one zero thousand'. This event allows pilots to earn their new WINGS rewards! Plan now to attend East Tennessee Wings rain or shine!

Directions: The event will be held in the FBO Main Hangar, at Island Home Airport.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
