

East TN WINGS - Will An Audio Panel Improve Your Radio Communication? - Seminar Registration

" Will An Audio Panel improve Your Radio Communications " Please join Founder and CEO of PS Engineering, Inc., Mark Scheuer. as he discusses the journey from advanced intercom functions to the USAF implementation of Head Related Transfer Functions (HTRF) or True Dimensional Sound. This discussion covers the latest technologies that may significantly improve both inter-cockpit and radio communications for the General Aviation pilot.

This event allows pilots to earn their new WINGS rewards! Plan now to attend East Tennessee Wings rain or shine!

Directions: The event will be held in the FBO Main Hangar at Island Home Airport.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
