

# Spinning 101 - Basics of Spins and Spin Recovery

Please welcome Ms. Catherine Cavagnaro, ATP/CFI and proprietor of Ace Aerobatic School. Come join your fellow airmen as Catherine presents the dynamics of stalls and spinning flight, recovery techniques and emergency flight situations that can lead to spins.

**Directions:** This event will take place at the Gassaway Building at Nashville International Airport (KBNA). Proceed to the second floor.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
