

Nashville IMC Club Monthly Meeting

A friend wants to practice for his instrument checkride in actual IMC, so he asks if you'll file IFR in your name and fly right seat. You're not an instructor, although you're quite current and proficient. So it's no problem...right???

Directions: Meeting will be held in the offices of Nashville Flight Training. Please use map link to show location. Fly-ins are welcome, and parking is free next to the meeting location. Ask Ground Control to be routed to hanger #7.
