

ADS-B and Me - NextGen Aviation Learning Event in Albertville

Come learn about ADS-B / NextGen Aviation and how you can prepare yourself and your aircraft to take advantage of this important enhancement to our national airspace that is now operational. This is avionics news you can use from experts. In this session, you'll learn what's behind ADS-B – why it matters and how it works. Brought to you by the FAA Safety Team and Carpenter Avionics!

Directions: Please see map link. See also the attached PDF to find your way to the Alabama Aviation Center at the Albertville Regional Airport.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
