

## GA Survival

Please join FAASTeam Representative and former US Air Force pilot, Dent Young, as he provides insightful survival techniques that may significantly improve your survival chances after suffering an off-airport accident or incident. Coping successfully requires knowledge, training, and planning.

**Directions:** Please use the map link. The 510 Center may be found back behind The Hilton hotel and adjacent (NW) to the Cirrus Aircraft delivery center.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
