

Nashville IMC Club Meeting

Join us for the region's most popular monthly aviation event...The Nashville IMC Club!

Whether you're a student pilot or ATP, everyone's welcome to join our meetings! There's no membership sign-up, no dues, and certainly no formalities...just an opportunity to learn together from other pilots!

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.

The topics we'll discuss at this meeting are: Upgrading the avionics panel, eliminating the vacuum system, and becoming proficient in the digital equipment.

Our meetings are held at the International Plaza building (the gold building next to BNA on Briley Parkway).
