

Nashville IMC Club Meeting

Join us for the region's most popular monthly aviation event...The Nashville IMC Club!

Whether you're a student pilot or ATP, everyone's welcome to join our meetings! There's no membership sign-up, no dues, and certainly no formalities...just an opportunity to learn together from other pilots!

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.

**The topics we'll discuss at this meeting are:
1) Engine out on takeoff, 2) Glide ratios, 3)
The "impossible" turn.**

Our meetings are held at the International Plaza building (the tall gold building on the west side of BNA on Briley Parkway).
