

Nashville IMC Club Meeting

Join us for the region's most popular monthly aviation event...The Nashville IMC Club!

Whether you're a student pilot or ATP, everyone's welcome to join our meetings! There's no membership sign-up, no dues, and certainly no formalities...just an opportunity to learn together from other pilots!

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.

This month's scenario involves an air traffic controller handling a GA pilot that's flown multiple missed approaches at night, in poor weather. Lets explore the human factors and decisions.
