

Helicopter Operations with Fixed Wing Traffic

Helicopter training is increasing in the Memphis area and a significant number of complaints and safety issues have been reported. This meeting is to discuss rules, regulations and safety procedures regarding helicopter operations at airports with fixed wing traffic. Fixed wing pilots are encouraged to attend and share their thoughts and experiences.

Directions: Main Conference Room

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
