

Pilot / Owner Maintenance - Know Before You Go

Whether you rent or own the plane you fly it is always good to know how things are supposed to work, how to identify potential problems and what to do when something is just not quite right. David Hays, Memphis FSDO Inspector will present this seminar and answer any questions you have. Beech River Airport is having a Fly / Drive in breakfast this morning so come early and stay for the Safety Meeting.

Directions: Large hangar next to FBO building

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
