

FAASTeam presents:

Rules to Fly By

We find Rules everywhere, do this - don't do that - yet we (the human in the cockpit) still get in trouble. Why is that? What are we missing? Today we will not be talking about FAA rules. We will talk about different aspects of a flight and discuss some of the things that can get us in trouble - and share some tips to keep us safe.

Directions: Upstairs meeting room in the FBO building

A message from the National FAASTeam Manager
