

Memphis Center Weather Service Unit - Weather

Memphis Center controllers and weather service personnel will present this program. Doug Boyette, Memphis Center Weather Service Unit will discuss weather services available from ATC and traps that can get us in trouble along the way. Stephen Kearney and Shem Malmquist will also participate discussing services Center can provide. Please register for this event. We are space limited to 85 and those registered will have priority.

Directions: Airport Business Park Building J (last building on the left at the back of the business park)

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
