

What Every Pilot Should Know About Airworthiness

As pilots we focus on flying the plane but having a good basic understanding of the airworthiness and basic maintenance requirements can save us time and money, and, more importantly - keep us safe.

Directions: Main meeting room

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
