

The FAA Safety Team presents:

On Top of the World

Given a few simple precautions, flying through the high country is not difficult and can be conducted safely by even the novice pilot. Follow a few simple rules, and enjoy some of the most spectacular scenery you will ever see in your life - and do so safely.

Directions: Primrose A.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
