

## Utica-Rome Spring/Summer Safety Seminar

Don't get caught without a Safety Plan. The GAJSC has determined that returning to flight operations after a period of inactivity, and/or to a new or different aircraft, increases a pilot's risk of an accident. We will discuss what is going on in "your back yard" find out what you need to know in the RME area to stay safe. We will have a segment on Summer Weather and what to look out for. There will be discussion on ATC Terminology. These are just a few examples of the issues we'll be discussing at this informative briefing. Don't miss it! Attendance will give you the tools, skills and knowledge to operate safely and avoid the accident. Click on the link below to register TODAY!

**Directions:** The event will be held in the Kunsela Hall Auditorium at SUNY Institute of Technology, 100 Seymour Road, Utica, NY 13502.
