

## Capital Region Sunday Safety Seminar

During this informative briefing we will discuss two important issues. First will be a fun-filled session in which Jason T. Archer will take some of the mystery and myth out of the basic principles of flight. Second - Have you ever wanted to visit Australia; maybe even fly while you're there? Learn what is involved to prepare, navigate and communicate in the Land Down Under. Click on the link below and register TODAY.

**Directions:** Million Air is located just South of the main terminal on Jet Way Drive.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
