

Albany FSDO and FAA Safety Team presents:

Teaching with Electronic Flight Bags

At this open forum, we will discuss Teaching with Tablets and other Smart Devices, otherwise known as Electronic Flight Bags, EFBs. The purpose of this Flight Instructor Open Forum is to stimulate discussion regarding what they are, the need for student and CFI training, ways to get trained, common mistakes and how to teach EFB. More than ever before technology is changing how we plan and conduct our flights. What are the best practices for teaching this these new technologies? Don't miss this opportunity to discuss the methods, techniques, and challenges involved in guiding a pilot through the technology transition. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Click the link below and register TODAY

Directions: Million Air is located just South of the main terminal on Jet Way Drive. Aircraft parking available on Million Air ramp.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
