

CFI Open Forum

Flight instructors must recognize what is happening internally with students and either reinforce positive reaction strategies and attitudes, or identify where restricted thinking exists in order to optimize the students' capabilities. At this FAASTeam Flight Instructor Open Forum we will explore this complex topic to better prepare our students.

Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! Click on the link below and register TODAY!

Directions: Million Air Albany is located just South of the Passenger Terminal on Jet Way Drive.
