

Kingston FAA Safety Team Meeting

Temperatures are dropping and for those of you who continue flying through the winter your FAA Safety Team is providing an informative seminar on cold weather operations. This interactive seminar will include tips, techniques and hands on examples to best mitigate the negative effects of cold weather operations for both occupants and aircraft. This seminar will be moderated by a 15-year Alaskan commercial operator so bring your thoughts and questions on cold weather ops to the warm environs of the Town of Ulster Senior Center on the evening of 1 December.

Directions: Rt 209 to Enterprise Dr. North 1/10 mile left to Town Hall complex. Senior Center building is on left. Prior to attending a safety seminar, please review and abide by current CDC, State and Local health guidelines.
