

Albany FAAS Team presents:

Aircraft Winter Operations

Temperatures are dropping and for those of you who continue flying through the winter your FAA Safety Team is providing an informative seminar on cold weather operations. This interactive seminar will include tips, techniques and hands on examples to best mitigate the negative effects of cold weather operations for both occupants and aircraft.

A discussion hosted by aviation professional John Likakis and Maintenance Personnel from Hildt Aviation Bennington, and the Albany FAAS Team.

Prior to attending a safety seminar, please review and abide by current CDC, State and Local health guidelines.

Directions: The location is:
William H. Morse State Airport (KDDH)
Main Terminal Building
1563 Walloomsac Rd. (off VT 9)
Bennington, VT 05201
