

GAJSC Safety Topic of the Month - Preflight after Maintenance

GAJSC and NTSB have determined a significant number of GA fatalities could be avoided if pilots were to conduct more thorough preflight inspections of AC that have just been returned to service.

Inflight emergencies have resulted from improperly serviced or incorrectly installed systems.

Please register early - see you at the event!!

Prior to attending a safety seminar, please review and abide by current CDC, State and Local health guidelines.

The location is:

William H. Morse State Airport (KDDH)

Main Terminal Building

1563 Walloomsac Rd. (off VT 9)

Bennington, VT 05201
