

Runway Safety and Aircraft Return to Service Requirements

This is a two hour event, coordinated by the Albany FAASafetyTeam and presented by FAASafetyTeam Representative, Ningyun Cai. There will be information of interest to all pilots.

During this month's Seminar, flight Instructor Ning will present The Topic of The Month, Returning an Aircraft to Service post maintenance inspections or repairs. She will also discuss Runway Safety with a review of the airport procedures at your surrounding airports.

This two hour event will be held at Av Flight, located at the southeast side of the airport below the beacon and tower. This seminar will be held in the 1st floor Conference Room at Av Flight at the Plattsburgh Airport. Street address: 1 Alabama Street, Plattsburgh, NY. No landing and facility fees for aircraft <12,500lb.
