

Cambridge Airport - Back in the Air - Reconnecting with Aviation

This two hour seminar will cover essential topics, including recent regulatory changes that make it easier for inactive pilots to return to the skies. You may now have the opportunity to fly using a valid drivers license in place of an FAA medical or Basic-Med. We will also discuss insights into local flying clubs and training opportunities. Join us for this unique opportunity to combine aviation education and community enjoyment. This event will strengthen ties between local pilots, residents, and the broader aviation community. Lunch will be available after the seminar, with airplane rides sponsored by local flying clubs.

- Reengage Returning Pilots - Inspiring Lapsed Pilots to Return to Flying
- Community Engagement - Fun Family Friendly Aviation Event
- Scholarship Support - George Chapin memorial Scholarship to benefit Cambridge Highschool Students.
