FAASTeam presents:

Coffee and Airplanes - Controlled Flight Into Terrain (CFIT)

Join us for this month's 2 hour seminar, where we will delve into the critical topic of Controlled Flight Into Terrain (CFIT). Despite advancement in aviation technology, CFIT remains a significant safety concern. During this month seminar, we will examine the factors that contribute to CFIT incidents and discuss best practices and preventative measures to enhance situational awareness and ensure safe flight operations.

Proceed directly to to the Watertown International Airport, located at 22564 Airport Drive, Watertown, New York, The Seminar will be held inside the FBO.
